INDEX TO VOLUME 43*

January to December, 1938

A					
Accidents					
Accident reports (e) Aug.	24				
Alberta blast kills five, May.	104				
Butler accident blamed on overcharged shot, Aug.	76				
Butler colliery accident kills ten, July.	106				
Butler colliery explosion investigated, Oct.	88				
Butler explosion called unavoidable, Sept.	65				
Causes of fatalities in coal mines of the U. S. 1936 and 1937, Feb.	74				
Dust explosion kills 45 in Keen Mountain mine, June.	83				
Fire at Von Storch mine fought with water and fans, July.	112				
Harwick mine blast kills 10, Feb.	102				
Monthly fatalities.....Jan. 108, Feb. 108, Mar. 99, Apr. 86, May 106, June 92, July 120, Aug. 78, Sept. 70, Oct. 92, Nov. 90, Dec.	146				
On guard! (e) Jan.	42				
St. Clair explosion kills 8, June.	85				
Alabama Coal Trade Extension Assn.					
Organizes to fight oil and gas, Sept.	57				
American Chemical Society					
Election of officers, Oct.	76				
Report of Milwaukee meeting, R. D. Hall, Oct.	76				
American Institute of Mechanical Engineers					
Coal Division schedules program for meeting, Feb.	100				
American Institute of Mining and Metallurgical Engineers					
Cpal Division, Ohio Valley Section meeting, Jan.	94				
Election of officers, Nov.	86				
Report of New York meeting, Mar.	80				
American Inst. of Mining & Metallurgical Engineers and American Society of Mechanical Engineers					
Coal Division and Fuels Division meet at Chicago, Nov.	82				
American Mining Congress					
Cincinnati convention beckons (e) Apr.	35				
Coal Division organization approved, Jan.	104				
Report of Cincinnati convention, June.	44				
American Society for Testing Materials					
Atlantic City meeting, Aug.	55				
Committee D-5 approves tentative standard for sampling, Apr.	80				
American Society of Heating and Ventilating Engineers					
Committee to coordinate fuel research, June	89				
American Wholesale Coal Assn.					
Changes its name, Nov.	66				
Anthracite					
Anthracite industry building future on cooperation, L. C. Madela, Feb.	39				
Anthracite Institute counsel denies monopoly in anthracite industry, Mar.	96				
Average ash content of anthracite of various sizes, June.	72				
Bootleg miners in Pennsylvania on strike, Apr.	74				
Bootleg miners quit work and demand higher prices, May.	104				
Canadian Retail Coal Assn. may lift anthracite bar, June.	88				
Gov. Earle's commission recommends state control in report, May.	97				
Earle's proposal to nationalize mines not a solution to problems (e) Mar.	42				
First annual anthracite conference at Lehigh University, June.	72				
Lehigh University anthracite conference to be annual event, Apr.	72				
Open price administrator named, June.	78				
Open-price pact operates under coordinating committee, Mar.	79				
Pennsylvania assembly starts control measures, Sept.	65				
Pennsylvania governor to ask federal regulation of anthracite, Feb.	93				
Production, monthly.....Jan. 82, Feb. 93, Mar. 79, Apr. 71, June 71, July 93, Aug. 55, Sept. 57, Oct. 73, Nov.	61				
Too much faith in State control (e) June	32				
Wholesale anthracite coal trade 1935, June	74				
Anthracite Industries, Inc.					
Advertising campaign, Nov.	62				
Anthracite tour taken by three of the staff, Oct.	84				
Bulletin on ash removal, July.	116				
Night school classes in Philadelphia started, Apr.	78				
Permanent hard-coal exhibit in Boston, Feb.	102				
Primos, Pa. merchandising school expanded, Feb.	93				
Third showroom opened, June.	89				
B					
Big Sandy Elkhorn Coal Mining Institute					
Report of Pikeville, Ky. meeting, Aug.	64				
Big Sandy-Elkhorn Coal Operators' Assn.					
Plan to build mine rescue training station, June	89				
Bituminous coal					
Bluefield, W. Va. committee to aid the industry, Oct.	89				
Consumption by months.....Jan. 82, Feb. 93, Mar. 79, Apr. 71, June 71, July 93, Aug. 55, Sept. 57, Oct. 73, Nov.	61				
Fight against competition, J. D. Battle, Feb.	45				
Production, monthly.....Jan. 82, Feb. 93, Mar. 79, Apr. 71, June 71, July 93, Aug. 55, Sept. 57, Oct. 73, Nov.	61				
Progress made in the bituminous industry in 1937, Feb.	47				
Regulation to end in 1941? (e) Jan.	42				
Statistics on the bituminous coal industry, Oct.	56				
Stocks by months.....Jan. 82, Feb. 93, Mar. 79, Apr. 71, June 71, July 93, Aug. 55, Sept. 57, Oct. 73, Nov.	61				
Strife between two labor groups (e) June	31				
Bituminous Coal Research, Inc.					
Cincinnati salesmen's school pays visit, May	100				
Combustion behavior studies continued by Battelle Institute, June.	71				
Stoker studies continued, Mar.	98				
Blasting					
Electrical detector locates missing shells in mine, Feb.	88				
Explosives discussed at Illinois Mining Institute meeting, July.	116				
Indiana deep mine practices, Dec.	43, 83				
Inside magazines built for safety, July.	92				
Plastics explosives container honored, Dec.	138				
Tongs for shorting shuffling cables, Jan.	73				
Training in shot-firing necessary (e) May	43				
Virginia bans double shooting, Aug.	56				
Book reviews.....Jan. 71, Apr. 61, Aug. 47, Sept. 49, Oct. 63, Nov.	53				
Briquets					
Britquetting processes, J. L. Knight, Sept.	34				
Production in 1937, Aug.	56				
Bureau of Mines					
Permissible plates issued.....Feb. 104, Apr. 84, May 98, June 78, July 108, Aug. 78, Sept. 64, Oct. 84, Nov. 90, Dec.	146				
C					
Central West Virginia Coal Mining Institute					
Safety day meet, Sept.	65				
Coal					
American Chemical Society throws new light on oxidation, Oct.	76				
Ash-softening temperatures of various sizes of Illinois coals—A.I.M.E. meeting, Nov.	82				
Audit and forecast (e) Feb.	33				
Coal industry in 1937 (charts) Feb.	34				
Coal still remains the chief source of energy (e) Apr.	35

Foreign prospects analyzed by Cosgrove, Dec.	138				
Gas executive urges prompt development of coal, Nov.	61				
Lack of coordinated publicity on part of coal (e) Apr.	36				
New sampling methods considered by A.S.T.M., Aug.	55				
Statistics on the coal industry, Oct.	52				
Virginia to study coal-mining conditions, Mar.	90				
Coal Age					
Historical Summary, Jan.	81				
"We change bosses," July.	104				
Coal Mining Institute of America					
Officers elected, Jan.	92				
Report of Pittsburgh meeting, Jan.	88				
Coal Trade Assn. of Indiana					
Coal map of Indiana issued, Aug.	64				
Concrete pier salvaged by reinforcements, Apr.	63				
Conveyors					
Four-room-unit system in Indiana, Dec.	43				
Red Parrot increases conveyor-mining efficiency, J. H. Edwards, Aug.	34				
Retreat system of conveyor mining used by Gordon Coal discussed at Rocky Mt. meeting, Aug.	68				
Shaker conveyor loading at New Centennial, I. A. Given, Sept.	36				
Cutting					
Bit treatment in Indiana, Dec.	74				
Cutting-bit losses cut by new distribution system, Nov.	56				
Heat treated bit use in Indiana, Dec.	43				
Indiana deep-mine practices, Dec.	43				
Patent-bit use in Indiana, Dec.	43				
D					
Drainage					
Bulkhead construction in Indiana, Dec.	67				
Central Elkhorn cuts pumping cost by drilling borehole, May.	90				
Indiana deep-mine practices, Dec.	67				
Lillybrook completes six mile drainway, Apr.	53				
Mine-dewatering equipment at Cincinnati Exposition, June.	64				
Mine-track fill drained by box drain, Sept.	54				
Pump borehole casing also serves as a conductor at Stanaford mine, Oct.	60				
Replacing corroded pipes in concrete seals, Mar.	73				
Sahara mine dewatering started, Jan.	83				
Unbroken panel pillars save money in pumping, July	87				
Drainage see also Pumps					
Drilling					
Indiana deep mine practices, Dec.	43, 77, 83				
E					
Economics					
Business on the upswing (e) Nov.	27				
J. D. Morrow blames recession on Washington, Feb.	93				
PWA wins on power issues, Feb.	106				
Electricity					
Blue Diamond Bonney Blue mine improves production by motorizing the hoist, Jan.	58				
Bond condition shown by clip-over d.c. ammeter, Dec.	116				
Cage with automatic switch thrower, Oct.	72				
Coll spring holds plugs on battery box, Feb.	90				
Connector box used in circuit to loading shovels at Enos, Dec.	116				
Continuous suspended conduit carries power cable, Nov.	55				
Controllers hung on coll springs, May.	94				
D.C. braking of an A.C. motor saves at Consolidation mine, Sept.	42				

Deep-mine electrification in Indiana, Dec.	*71
Degree of compounding cut without hurting commutation, Feb.	*90
Electrification at Isabella mine, July	*72
Energy consumption increase does not add to D.C. capacity at Superior mines, May	*48
Enos strip mine cuts haulage costs by electric trains, Apr.	*50
Fifty years of coal mine electrification, Feb.	*68
First use of dynamite braking of hoist motors. R. S. Sage, Dec.	*142
Keen Mountain mine handles 400-tons per hour as a full mechanical mine. J. H. Edwards, Apr.	*111
Mercury-arc rectifiers meet new power service needs. A. L. Barrett, Mar.	*65
Padlocks and interlocks used on portable oil switches at Ayrshire slip mine, Dec.	*111
Picking-table lighting in Indiana, Dec.	*105
Pipes driven in roof make extensions for trolley hangers at Buckskin, Dec.	*118
Position signal works from track switch, Feb.	*88
Pothole suspension on borehole job, Aug.	*50
Power problems discussed at A.M.C., June	49
Pump borehole casing also serves as a conductor at Stanford mine, Oct.	*60
Rectifier advantages discussed at New River Winding Electrical & Mechanical Inst., Dec.	131
Reversing "cats" on loading shovel at Ayrshire facilitated by rocker-type switch, Dec.	*112
Self-service manhoist, Sept.	*51
Signal for track-switch, Aug.	*54
Strain clamps on feeders save switch handles, Sept.	*56
Strip mine electrification in Indiana, Dec.	*86
Tipple electrification in Indiana, Dec.	*105
Wiring motor, Apr.	*68

Electrification

D.C. braking of an A.C. motor saves at Consolidation mine, Sept.	*42
De-icing of power lines done by electricity, Oct.	*70
Isabella mine electrification, July	*72
Mercury-arc rectifiers meet new power-service needs. A. L. Barrett, Mar.	*65
Power problems discussed at A.M.C., June	49

Engineering

Operating developments forecast greater need for engineering. Paul Weir, Feb.	*61

Bending mine-car irons. Walter Baum, Apr.	*84
Booklet on flood reconditioning, June	86
Box which cleans and lubricates ropes, Mar.	*73
Cable splice improvised with brass tubing, May	*90
Carbon arc removes damaged hitchings, June	*66
Care in applying packing prevents trouble, Mar.	74
Chute wear checked by material-filled elbows, July	*87
Decanting of lamp batteries eased by special truck, Feb.	*86
Expansion-shell recovery tool, June	*68
Forming auger spirals. Walter Baum, Jan.	*74
Hammer heads interchangeable, June	*70
Holes in car bottom aid in oiling wheels, Jan.	*78
Indiana deep-mine practices, Dec.	*74
Isabella mine maintenance work, July	*81
Lathe improved, Aug.	*52
Locking piece holds nuts securely, Mar.	*74
Lubrication discussed by I.C.M.I., Jan.	100
Maintenance discussion at A.M.C. meeting, June	49
Micarta rings reduce maintenance on pumps, July	*38
New River reduces maintenance costs and makes other improvements. J. H. Edwards, May	*63
Noises in machinery eliminated in several ways, July	88
Old cutting machines rebuilt, Feb.	*85
Open-type cutters changed to permissible units, Nov.	*58
Pouring ladle for metal, Apr.	*63

Rack and monorail ease armature changing, Oct.	*68
Removal of rusted nuts, June	*60
Revisions increase loader efficiency, Dec.	*112
Rivet-heating stand, Jan.	*73
Screens repaired by reinforcing and hard surfacing, Nov.	*60
Shaker-arm supports reduce breakage, July	*38
Shop equipment modernized by changing from lineshaft to individual motor drives, July	*90
Single-heat iron bending, June	*69
Split bushings on cutting machine, May	*94
Stripped threads restored to original size, Jan.	*76
Trolley shoes reclaimed by bronze welding, Mar.	*76
United Electric strip mines maintenance practices. Strong, Huff & Day, Mar.	*61
Welded cases straightened by use of wheel press, May	*88

Mechanization

C.M.I.A. discusses at annual meeting, Jan.	92
Columbia increases unit output by full mechanization. I. A. Given, Nov.	*29
Costs and quality are goals in Isabella mine modernization, July	*49
Four belts in series carry coal up half-mile slope at Clark mine. R. D. Hall, Nov.	*44
Hart Coal hauls coal in rubber-tired tractors and bottom-dumping cars. I. A. Given, Jan.	*47
Indiana deep-mine practices, Dec.	*43
Keen Mountain mine handles 400-tons per hour as a full mechanical mine. J. H. Edwards, Apr.	*37
Loading-machine sales in 1937. L. N. Plein & Others, Feb.	*36
Loading mechanization (c) Nov.	27
Making mechanization pay discussed at A.M.C. meeting, June	45
Mechanical loading makes further advances in 1937, Feb.	53
Mechanical mining at Cincinnati Exposition, June	*53
Mechanization necessary to progress (c) Nov.	27
Mining methods and mechanical loading at Isabella mine, July	*51
National Bituminous Coal Comm. reports on mechanization of loading and cleaning, June	83
Nokomis mine ends eleven year shutdown by installation of mobile loaders, Apr.	*43
Putting theory to work (c) Mar.	42
Red Parrot increases conveyor-mining efficiency. J. H. Edwards, Aug.	*34
Revision increases loader efficiency at Standard mine, Dec.	*112
Shaker conveyor loading at New Centennial. I. A. Given, Sept.	*36
Time-study analysis in completely mechanized operations. W. M. Dake, Apr.	55

Merchandising

Alabama interests organize to fight oil and gas, Sept.	51
Anthracite equipment at National Home Show in Philadelphia, Mar.	98
Basement transformed with coal cellar, Jan.	*106
Chicago & Eastern Illinois Ry. sets up a coal-combustion service to help haulage, Aug.	64
Exhibition mine on view, Aug.	76
Modernized basement wins \$1,000 prize, Apr.	*83

Safety-collar coupling, Jan, Sept.....	*54
Borderland Collieries Co.	
President of the company sells his interest, July.....	93
Brookside Pratt Mining Co.	
New equipment installed, Nov.....	82
Butler Junction Coal Co.	
Fire destroys tipple, July.....	116

C

Cambria Fuel Co.	
Auto generator used in fan signal, Nov.....	*69
Carnegie Coal Corporation	
Interest purchased by Island Creek Coal Corporation, Dec.....	142
Centralla Coal Co.	
Screen jackets blanked off by hinged door plates, Mar.....	*73
Christopher Mining Co.	
Acquires Har-Mar plant, Mar.....	98
Robinson Run No. 2 mine expands, Dec.....	121
Clearfield Bituminous Coal Corporation	
Mercury lamps for picking table where plow turns coal, Nov.....	*43
Clover Fork Coal Co.	
Labor Board sustains union on violation charge, Jan.....	106
Cochran Coal Co.	
Safe handling of heavy pipe, Aug.....	*49
Safety brake block has rivet inserts, Nov.....	*60
Setting round crossbars with preformed wedges, July.....	*87
Stoppings set on clay to prevent damage, Feb.....	*85
Switch adjustment aided by special bridle, Mar.....	*76

Columbia Steel Co.	
Higher unit output follows complete mechanization. I. A. Given, Nov....	*29
Consolidation Coal Co.	
D.C. braking of an a.c. motor saves annually, Sept.....	*42
Crescent Mining Co.	
Drain box for mine track, Sept.....	*54
Lead spalling on tools prevented by hose guard, Feb.....	*88
Pick loss prevented by locked holder, Apr.....	*63

D

DeBardeleben Coal Corporation	
Extending Warrior River channel helps transportation, Feb.....	93
Delaware & Lackawanna Coal Co.	
Sales ideas dramatized, Oct.....	90
Delta Mining Company	
Vertical augers improve shooting, June	*36

E

Electric Shovel Coal Corporation	
Clinton mine opens, Mar.....	98
Enos Coal Mining Co.	
Electric trains cut haulage costs from strip pit, Apr.....	*50
Stripping efficiency boosted by time study methods. G. H. Utterback, May	*69

F

Fourseam Coal Co.	
Tipple destroyed by fire, May.....	104

G

Glen Alden Coal Co.	
Buttonwood breaker to be razed, Nov..	80
Replaces old machinery, Sept.....	66
Green Silvers Coal Co.	
Union wins dispute, Feb.....	104

Hanna Coal Co.	
Pothead suspension on borehole job, Aug.....	*50
To manufacture stokers for anthracite, June.....	72
Hanna, M. A., Co.	
Merges with Hanna Coal Co., Jan....	*98
Harlan Fuel Co.	
"Hand-off-union" order by National Labor Board, Aug.....	64
Har-Mar plant acquired by Christopher Mining Co., Mar.....	98
Hart Coal Corp.	
Moss Hill No. 2 mine hauls coal in rubber-tired tractors and bottom-dumping cars. I. A. Given, Jan....	*47
Harwick Coal & Coke Co.	
Guard rail clamp, May.....	*94
High Point Coal Co.	
National Labor Board cites company, Sept.....	67
Hudson Coal Co.	
Arched cover protects timber supply, Oct.....	*70
Better roof support, pipe couplings and refuse disposal equipment pare cost. R. D. Hall, Sept.....	*44
Bondholders' suit dismissed, May.....	100
Hume-Sinclair Coal Mining Co.	
Electrifies strip-pit tractor, Aug.....	*52
Huntsville-Sinclair Mining Co.	
Vertical augers improve shooting, June.	*36

I

Imperial Coal Corporation	
Fan blinker signal, Aug.....	*54
Ingle Coal Co.	
Battery-powered rubber-tired haulage equipment at Wick mine. I. A. Given, Oct.....	*29
Irish Rock Coal Co.	
Truck mine modernization includes diesel generator, May.....	*82
Island Creek Coal Co.	
Purchases Carnegie Coal Corporation interest, Dec.....	142

J

Jeddo-Highland Coal Co.	
Receives safety trophy, Aug.....	55
Jones Mine, Salesville, Ohio	
Moving equipment through belt line without interrupting coal production, May.....	88

K

Kanawha & Hocking Coal Co.	
Operations sold, Nov.....	82
Kehley Run mine leased by Tony Rose, May.....	100
Kemmerer Gen Coal Co.

NOTE—The articles and references in this index have been classified under leading subjects or topics, as far as practicable, and should be sought under such heads, which, together with all unclassified matter, are arranged alphabetically. Illustrated articles, or cuts standing by themselves are indicated by an asterisk (*). The subject matter of editorials will be found classified under the subject with which they deal and marked (e). Many titles of articles are abbreviated, the aim being to give prominence to important words.
